NO BUILD EASEMENT AGREEMENT
(639 E. Polk Street)

THIS EASEMENT AGREEMENT is dated as of September 1, 2015, and is by and among the City of Milwaukee, a Wisconsin municipal corporation (the "City" or the "Grantor") as Grantor, and Milwaukee World Festival, Inc., a Wisconsin not-for-profit corporation ("Festival" or "Grantee").

RECITALS

City and Grantees acknowledge the following:

- A. The City owns the parcel legally described on the attached **Exhibit A** ("City Property");
- B. The Festival owns the parcel legally described on the attached **Exhibit B** and known as 639 E. Polk Street, Milwaukee, Wisconsin 53202 ("Festival Property").
- C. City leases the City Property to Festival under a lease dated January 1, 2001, as amended by the First Amendment to Lease Agreement dated February 1, 2005, and Second Amendment to Lease Agreement dated January 6, 2010 (collectively "Lease").
- D. The Festival Property's building has an east wall which abuts the property boundary of the City Property.
- E. Grantee desires to improve, renovate and reuse an existing building located on the Festival Property (the "Building"), which Building will not meet current setback requirements. Renovation of the Building will result in the east wall of the Building being located on the property line between the City Property and the Festival Property.
- F. In order to facilitate Grantee's proposed renovation of the Building and to comply with the necessary fire, building and other codes, including Section 295-1015-3-c of the Milwaukee Code of Ordinances (collectively "Codes"), it is necessary for Grantor to grant Grantee a no-build (negative) easement on City Property in a location set forth on the attached **Exhibit C**.
- G. The City is willing to grant the desired easement over a portion of the City Property for open space purposes so as to permit the construction and maintenance of the Building on the Festival Property in compliance with the Codes.
- H. The City of Milwaukee Common Council has approved the grant of this Easement by Resolution pursuant to File No. 150556.

WITNESSETH

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the sufficiency of which is hereby acknowledged, Grantor hereby declares, conveys and grants an easement (the "Easement") to the Grantee, and the Grantee hereby accepts such Easement from the Grantor all as provided herein, as follows:

1. **Purpose of Easement.** The Easement is for open-space purposes in order for the Building to satisfy the applicable Codes. Except as otherwise provided herein, (a) no improvements or structures shall be constructed or placed on, upon or within the Easement Area (as defined below), and (b) the City hereby agrees not to place or construct, and shall prohibit and restrict others, including Festival as the tenant under the Lease, from placing or constructing, any improvements or structures on, upon or within the Easement Area (as defined below). This Easement shall not, however, prohibit the placement or location of any utility-related improvements within the Easement Area, including, but not limited to, utility poles and wires.
2. **Description of Easement.** The Easement Area consists of the area located on the City Property described on **Exhibit C** attached hereto.
3. **Servitude.** This Easement shall be binding upon City, Grantee, and their respective successors and assigns. The Easement is intended to be a perpetual burden on the City Property, and a perpetual benefit to the Festival Property, which shall "run with the land" as to those parcels. The Easement benefits current and all future owners, occupants and mortgagees of the Festival Property and is intended to bind all future owners, occupants and mortgagees of the City Property.
4. **Termination.** The Easement shall automatically terminate (a) at such time that the Building is demolished or otherwise removed from the Festival Property, or (b) at such time that the Easement is no longer needed in order to satisfy the Codes.

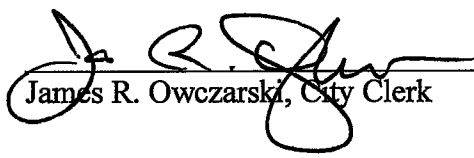

In further consideration of the above recitals, the foregoing grant of easement and for other good and valuable consideration, Grantee covenants and agrees with Grantor as follows:

1. Grantee hereby releases and forever discharges City from any and all claims, actions and causes of action whatsoever in any way arising out of or related to any damages to or casualty with respect to the Building at any time arising from or relating to the grant of this Easement and caused by any reason other than the willful misconduct of City.
2. The above release is intended to be perpetual, to run with the land and bind Grantee and its successors, assigns and transferees for so long as the Building or an approved successor building is located on the Festival Property.
